Lighting Information

- Top Lighting - an LED strip is mounted along the top interior and shines downward
- UL-approved LED strip lighting
- Cool White LED lighting
- LED Lifespan: 50,000 hours
- We provide a 3-wire cord that connects to the ballast/transformer inside the display case.
- When installing, you should use a licensed electrician or installer to bring power to the display. The installer will determine where to exit the hardwire (we do not provide an exit hole, as we feel it's best for the installer to determine the optimal exit point for the power supply).
