- Built with durable aluminum alloy
- Made in the USA
- POSTO-STAND™ Designed for **Indoor Use**

#### Frame Position: Center Hung Vs. Offset

When ordering this floor standing poster display, you have the option of hanging your poster frame either Center Hung or Offset.

##### Center Hung

When selecting **CENTER HUNG**, the sign frame becomes a single sided frame, where you can only display ONE Poster. The 72" High sign post where the frame is attached to, will block the backside of the frame from being viewed properly. When selecting the Center Hung Option, you will only require ONE Clear Overlay per sign frame.

##### Offset

When selecting **OFFSET**, the sign frame becomes a double sided frame! The 72" High sign post is not blocking the backside of the frame, thus providing the option to add literature holders on the opposite side of the display. (see details below)

#### Optional Literature Holders

If the **OFFSET** frame position option is selected, we offer literature holders, ideal for holding 8.5" x 11" catalogs and pamphlets, that can be mounted on the opposite side from the poster frame. Manufactured out of durable steel, these literature holders can be either left or right mounted onto the display stand's slotted post. Their height can also be adjusted, giving you the ability to find the right look for you.

#### Ordering Options Below

- (1) **Left Mounted, Lit. Holder:** Includes ONE Left Mounted Literature holder.
- (2) **Left Mounted, Lit Holders:** Includes TWO Left Positioned holders
- (3) **Left Mounted, Lit Holders:** THREE left hung literature holders
- (1) **Right Mounted, Lit. Holder:** Slide-in Poster frame comes with ONE right positioned holder
- (2) **Right Mounted, Lit. Holders:** Two Right Mounted Literature Holders accompany the frame
- (3) **Right Mounted, Lit. Holders:** Includes THREE Right Mounted Holders
