Ceiling Mount Options

Typical Applications: Displaying "suspended" advertisements or menus in front of windows or behind a counter or cash wrap is a great way to grab someone's attention and drive traffic and sales to your place of business.

- We offer the option to install "D" Rings on the Snap Frame. This allows you to suspend your frame from the ceiling.
- Both the short and long sides will have "D" Rings installed, allowing you to hang and display your snap frame in Portrait or Landscape orientation.
- You have the choice of silver chain links in 2 FEET, 4 FEET, or 6 FEET Lengths.
- Custom color chains and lengths are available upon request.
- Due to the variety of ceiling surfaces, we advise you to purchase the appropriate hooks at your local hardware store. **We DO NOT** include or offer the Ceiling Hooks to which the Chains will attach.
