- Contact Us for Custom Outdoor Enclosed Message Boards

Lighting Information

- Top Lighting - an LED strip is mounted along the top interior and shines downward
- UL-approved LED strip lighting
- Cool White LED lighting
- LED Lifespan: 50,000 hours
- We provide a 3-wire cord that connects to the ballast/transformer inside the display case.
- When installing, you should use a licensed electrician or installer to bring power to the display. The installer will determine where to exit the hardwire (we do not provide an exit hole, as we feel it's best for the installer to determine the optimal exit point for the power supply).

Ordering Options

- Vinyl covering over corkboard
- Plastic Clear or Multi-Color Push Pins (100 per box)
- **Door Window: Break Resistant or Tempered Glass**
  - Break Resistant Acrylic: 1/8" thick, lightweight (Standard)
  - 1/4" Tempered Glass for public environments and locations that require this added safety feature. (Upcharge)
    - If chosen we will use our heavy duty door that will change one of 2 dimensions by 1/2". We will contact you if you do not indicate which dimension you would like adjusted in your order notes.
    - The viewable area can decrease by 1/2" or the overall size can be increased by 1/2".
