Ships Unassembled

- ALL snap frame sizes are cut to size and prepped for easy assembly
- Takes minutes to assemble. Corner Key and Mounting Hardware Included
- Backing Board is rolled up and placed into box for shipping cost savings
- Clear Overlay is rolled up and placed into box for shipping cost savings
- ALL snap frame rail sizes 73" and larger will be **CUT in HALF** and provided with a Straight Joiner Key to connect the two snap frame rails together. This will create a seam in your snap frame rail where 2 or more pieces on one side of your frame will flip open. The main reason for creating the seam is to reduce shipping costs. We will ship these chopped snap frame rails via common carrier ground service.
- We will ship any Length up to 144" in **FULL LENGTH** via Freight Carrier.
- Please contact us for your oversized snap frame dimensions to provide frame & freight costs

Ceiling Mount Options

Typical Applications: Displaying "suspended" advertisements or menus in front of windows or behind a counter or cash wrap is an effective way to grab attention and drive traffic and sales to your place of business.

- We offer the option to install "D" Rings on the Snap Frame, allowing you to suspend your frame from the ceiling.
- Both the short and long sides will have "D" Rings installed so that you can hang and display your Snap Frame in Portrait or Landscape orientation.
- You can choose chain links in 2 FEET, 4 FEET, or 6 FEET lengths.
- Custom color chains and lengths are available upon request.
- Because of the variety of ceiling surfaces, we advise you to purchase the appropriate hooks at your local hardware store. **We DO NOT** include or offer the Ceiling Hooks to which the Chains will attach.
