Scrim Vinyl Graphic

This is the most popular and economical option we offer. Added vinyl material incorporated behind the strong nylon mesh provides a curl free banner that is ideal for outdoor banner stands. The 13oz vinyl allows for straight (non-hemmed) edges and also allows for heavy ink coverage which provides great color clarity and impact to your graphic design.

- Made of a strong nylon mesh covered in vinyl
- Doesn't curl at the edges, resistant to scratches and fading.
- Digitally printed, durable and vibrant inks
- Indoor or Outdoor Use
