Post Options

SURFACE MOUNT POSTS

If you're looking to display your message board on concrete, brick, cement or any other solid surface, this is the best option. Included are (2) Metal Base (sleeves) which accept each post with a secure snug fit. To properly install the freestanding message board, simply use the appropriate screws and anchors for the surface where you are affixing the post.

- Includes (2) 60" High x 3 1/2" Posts
- Base Plates: 8" Wide x 10" Deep" x 7.75" High

IN-GROUND POSTS

When installing your display directly into ground (for example grass or dirt), then this is the option to choose. Posts provided are longer than the surface mount posts, as a portion of the posts will be dug into the ground for added support. The overall height will remain same as surface mounted posts, for an ideal viewing height.

- Includes (2) 96" High x 3 1/2" Posts

Recycled Plastic Construction Benefits

- Maintenance Free Recycled Plastic.
- Eliminate yearly maintenance with high-quality recycled plastic outdoor display boards - no painting or replacing rotting boards.
- Will not crack or decay, split, peel, rot or chip
- Rustproof and graffiti resistant
- Impervious to water, chemicals, and insects
- Finished back panel looks great and adds structural integrity

BLACK RUBBER TACK BOARD

BLACK RUBBER TACK BOARD

Comes standard with a Super heavy duty Tackboard. Made of black rubber, this backer is extra durable and built to last in the harshest conditions. Weatherproof, washable & easy to maintain.
