Ordering Options

Panel Separators (Included in Display Price):

Select a roller separator length which provides proper spacing between swinging panels so that merchandise displayed on adjacent panels does not touch when the panels are turned.

Fixed Pivot Spacing refers to the amount of space the panels need to be apart on the floor bracket for the panel separators to work properly.

- 1" Panel Separator (2" Fixed Pivot Spacing)
- 2 1/4" Panel Separator (4" Fixed Pivot Spacing)
- 3 5/8" Panel Separator (6" Fixed Pivot Spacing)
- 5 1/2" Panel Separator (8" Fixed Pivot Spacing)
- 6 5/8" Panel Separator (10" Fixed Pivot Spacing)

Panel Width	Total Length
30"	42"
36"	51"
48"	68"
