### Frame Position: Center Hung Versus Offset

When ordering this floor standing poster display, you have the option of hanging your poster frame either Center Hung or Offset.

#### **Center Hung**

When selecting CENTER HUNG, the sign frame becomes a single sided frame, where you can only display **ONE** Poster.

The 72" High sign post where the frame is attached to, will block the backside of the frame from being viewed properly.

**Offset**

When selecting OFFSET, the sign frame becomes a double sided frame, where you can display ONE or TWO Posters, YOUR CHOICE!

The 96" High sign post is not blocking the backside of the frame, thus providing this 2-SIDED option for your poster display
