Ceiling Mount Options

- **Common Applications:** Displaying "suspended" advertisements or menu's in front of windows or behind a counter or cash wrap is a great way to grab someone's attention and drive traffic and sales to your place of business.

- We offer the option of installing "D" Rings onto the Snap Frame. This allows you the option of suspending your frame from the ceiling. Both the short side and long side will have "D" Rings installed, giving you the option to hang and display your snap frame in Portrait or Landscape orientation.

- You have the choice of silver chain links in 2 FEET, 4 FEET or 6 FEET Lengths. Custom color chains and lengths are available upon request.

****NOTE:** these products are **SINGLE SIDED** displays. If you require double sided displays to show two separate advertisements, then please Contact Us to quote out your size and specifications.

****Due to the variety of ceiling surfaces, we advise you to purchase the appropriate hooks at your local hardware store. We DO NOT include or offer the Ceiling Hooks that the Chains will attach to.**
