Ordering Options

Wall Panel Supports / Brackets

Depending on your available wall space and desired panel spacing, 3 Wall Bracket sizes with different amounts of pivot holes are available.

48" in Length Wall Brackets (22 Pivot Holes 2" Apart)

64" in Length Wall Brackets (30 Pivot Holes 2" Apart)

96" in Length Wall Brackets (46 Pivot Holes 2" Apart)

REMEMBER TO FACTOR IN THE PANEL SEPARATOR YOU CHOOSE

Panel Separators (Included in Display Price):

Select a roller separator length which provides proper spacing between swinging panels so that merchandise displayed on adjacent panels does not touch when the panels are turned.

Fixed Pivot Spacing refers to the amount of space the panels need to be apart on the floor bracket for the panel separators to work properly.

1" Panel Separator (2" Fixed Pivot Spacing)

2 1/4" Panel Separator (4" Fixed Pivot Spacing)

3 5/8" Panel Separator (6" Fixed Pivot Spacing)

5 1/2" Panel Separator (8" Fixed Pivot Spacing)

6 5/8" Panel Separator (10" Fixed Pivot Spacing)

Velcro Circle Tabs (5/8" Diameter):

These handy fasteners adhere to loop fabric panels like Velcro, so you can easily attach and reposition your display materials. 200 circles are included.

Velcro Hook Tape (1" Wide):

Use 1" hook tape to display materials on our loop fabric panel displays. Pressure sensitive adhesive backing keeps materials securely displayed, yet easy to remove or reposition. Each roll is 5 yards or 25 yards in length

Shipping Info

Ships in 6-8 Weeks via Freight Truck

These displays are custom built per order placed. Not all materials are stocked, which may delay the ship date to 8+ weeks.

Sometimes we are able to ship sooner depending on the model, style and colors chosen. Please call us at to discuss your options / requirements, and we will try to accommodate as best we can.
