IMPORTANT HEADER ORDERING DETAILS

Please type your message in the text box provided below, we will try to keep your message on one line unless otherwise specified. If we can't fit your message on one line we will center your copy on two lines. For the customer that needs a specific font, color or text positioning, you may call customer service with your requests.

SELECT THE RIGHT OPTION FOR YOU, AND FOLLOW INSTRUCTIONS

STANDARD HEADER (No Charge)

Standard UPPERCASE Black Helvetica Lettering as detailed above. Make sure to spell out your header in the empty **Text Box** above the Green ADD to CART button. Check your grammar & spelling!

LEAVE HEADER BLANK (No Charge)

For those customers that will be adding their own header, select this option. Make sure to enter **LEAVE BLANK** in the empty **Text Box** above the Green ADD to CART button.

CUSTOM HEADER / LOGO (Upcharge)

This is for or those customers that wish to send us a specific FONT, COLOR, or LOGO. Make sure to enter **CUSTOM LOGO** in the empty **Text Box** above the Green ADD to CART button. We will contact you once the order has been received to instruct you on how to submit the HI-Res EPS File to us.

Post Specifications

- Post Dimensions: 4" x 4" x 120"
- Posts are attached to the case through the sides. Pre-drilled holes will be provided on the posts for easy display case mounting
- Posts should be secured at least 3 feet into the ground for proper support.
- OPTIONAL: **Surface Mount Boots** for installation into concrete surfaces

Lighting Options

LED LIGHTS - BRIGHTER & LONGER LASTING

Go GREEN with our energy saving LED Lights. Interior LED Lights are positioned on the interior to spotlight your posters, signage, postings, menus, and other printed announcements. LED lights are long lasting, and energy efficient. Choose from **Top Lit** or **Entire Interior Perimeter** for LED Lighting placement.

- UL approved LED Strip Lighting
- Cool White LED Lighting
- LED Life: 50,000 hours

**We provide a 3-wire cord attached to the ballast / transformer inside the display case. When installing you should use a licensed electrician / installer to bring power to the display. The installer will best decide where to exit the hardwire provided (we do not provide an exit hole as we feel it is best for the installer to decide the best exit point for power supply).

We offer **TWO** LED Lighting Options as detailed below:

TOP LIGHTING (ONE SIDE)

For this option we place an LED strip light on the top side of the interior display case. The light will shine downward onto the interior case, highlighting the contents inside.

INSIDE PERIMETER (ALL 4 SIDES)

For this option we place an LED strip light along the entire Perimeter of the interior display case. The light will shine from all 4 sides of the interior case, bringing more light intensity to the contents being displayed inside.
